

PGW Defence Technologies Inc.
2012 Western Canada F-Class Championship
(PGW 2012 WCFCC)

The Saskatchewan Provincial Rifle Association (SPRA), in conjunction with PGW Defence Technologies Inc., is pleased to host the third annual Western Canada F-Class Championship on June 28- July 1, 2012 at the Northstar Range, 6 miles east of Nokomis SK.

This is a Regional event sanctioned by the Dominion of Canada Rifle Association (DCRA).

Registration: Pre-registration is strongly encouraged, as the maximum number of entries is limited to 54 competitors. There must be 32 competitors registered by May 15, 2012 for this match to proceed. In the event of cancellation all registrants will receive a full refund.

Individuals needing to cancel will receive a full refund up to May 13, 2012, otherwise 50% of the fee is forfeited for any cancellation in the remainder of the days leading up to the match.

If a maximum number of 36 shooters are registered, team competitions will be considered for each day (one match at each distance per day).

Match fee is \$350.00 - this includes paid target pullers, one BBQ ticket, one match shirt, applicable prizes and awards. Entries made after May 13 will not receive a shirt.

Competitors wishing to shoot in both F-Classes will be accommodated if entry numbers permit, but must pay two full entry fees and only have one opportunity for the Grand Prize.

Do not send cash. Please make your payment (cheque, money order or bank draft) payable to WCFCC, and send to:

Keith Skjerdal
410 Adaskin Cove
Saskatoon SK S7N 4P4

Completed registration forms can be emailed and payment made by electronic money transfer (EMT) to Keith Skjerdal at wcfcc.2012@gmail.com.

Eligibility: Due to insurance requirements and in recognition of the DCRA sanctioning, all competitors must be a current member of their respective Provincial Rifle Association (PRA) and the DCRA (limited, associate, service or full member). Proof of valid PRA and DCRA memberships will be required at time of registration.

Any foreign competitors who have proof of current membership in their own national rifle association will only be required to purchase a limited associate membership in the DCRA (\$35).

During the competition, all Canadian competitors must possess a valid Canadian Firearms License (PAL or POL) and Non-Residents must possess either a valid Canadian Firearms License or Non-Resident Firearms Declaration (JUS909).

Governing Rules: The DCRA Rules For The Conduct Of Fullbore Rifle Competitions, Edition 15 (2009) – please see http://dcra.ca/Target_Rifle.htm

Classes of Rifle: Two separate rifle classes are recognized under the rules of this match, F-Open (F-O) and F-Restricted (F-TR). In general, they are:

- **F -O:** may be of any caliber up to and including 8mm and the overall weight Must not exceed 10kg including all attachments (such as, but not limited to, its sights and bipod, if any). This is shot from a bipod or pedestal rest.
- **F-TR:** may be .223 Remington or .308 Winchester or their commercial metrification equivalents only. The overall weight must not exceed 8.25kg including all attachments (such as, but not limited to, its sights and bipod). Pedestal rests are not permitted; F-F is not recognized at this event.

Match schedules may be modified on short notice by the Match Director to address any conditions affecting the match.

Targets: Targets used in this match will be NRA LRFC NRA target (5" X, 10" 10 ring). New centers will be stapled per relay, new target per day.

Additional Match Instructions for Competitors:

- Please be advised that any rifles (and attachments) to be used by a competitor during the match must be submitted by the competitor for inspection by the Match Director or their delegate (weighed, safe trigger confirmed, fore end measured, etc.) at the time of registration. Failure to submit a rifle(s) for inspection or use of a rifle which has not been inspected will result in the competitor being deemed ineligible and/or disqualified from the match and prizes. Except by prior special arrangement with the Match Director, all competitors must register in person and have their rifle inspected on Thursday June 28, 2012.

- All matches will be fired in squaddled relays of three grouped shooters per relay alternating shot for shot (Bisley Style). Relays on the first two days will be random, while the final day relays will be determined by placement (seeded). Squadding assignments will be available one half hour prior to the start of each day's matches
- Competitors will not be required to pull and mark targets. Marking staff services are included in the match fee.
- Safety is paramount. Rifles will have actions open, magazines removed (if equipped), and an Empty Chamber Indicators (ECI) inserted into the chamber at **all** times except when on the firing line during the preparation period or during live firing.
- At no time is a competitor to leave the firing line with a loaded rifle. All competitors are responsible for safe rifles while on the firing line. At no time should a rifle be removed from position without the competitor having first placed an ECI in the empty chamber of their rifle **and** verified by the competitor's scorekeeper **and** the Range Officer. The penalty for violating this rule is disqualification for both competitor and scorekeeper.
- Competitors are permitted 45 seconds per shot. At three to a mound and a 2+15 round match, this is 38.25 minutes. Each Relay will have 45 minutes to set up, shoot and retire. This will be based upon a 3 minute prep (including the move forward to the line), 2 minute target exposure (dry firing permitted) and 40 minutes to shoot and get off of the firing line. No ammunition may be loaded until the command to do so is made by the Range Officer. Time limits will be strictly enforced.
- At the beginning of each relay, competitors will be allowed a 3 minute preparation period. The ECI may be removed, but no ammunition may be loaded at this time. Anyone who fires a shot during the preparation period will be disqualified from the competition.
- Fouling shots will be permitted for a 5 minute period at the first shooting position for each shooter on the first day only. Rounds will be fired onto the targets and hits will be indicated. Shots will be alternated by the competitors on each target.
- The following relay is expected to have their gear behind the firing line 10-15 minutes in advance of their scheduled firing time, in the event that the relay may start early. Late arrivals will not be allowed to insert into the firing line and will score zero for that relay.
- Parking will be limited at all firing lines so only the firing relay and the next relay are allowed to the firing line. Once the firing relay is complete, they will head back to the clubhouse and send the next relay out to the firing line. Range carts are encouraged.

Awards: The following awards will be made for F-O and for F-TR:

- Plaques for each Distance Aggregates (800, 900 and 1000 yds) (1st, 2nd & 3rd)
- Plaques for each Daily Aggregate (1st, 2nd & 3rd)
- Cash prize for most v-bulls
- DCRA medals for Grand Aggregate (1st, 2nd & 3rd)
- Grand Aggregate winners will have their names engraved on brass plaques attached to the Farquharson Trophy
- Winning Team will get a cash reward (TBD)
